# **Theatre Committee Ask Residents To** Pick Up Tickets

BEISEKER-The Theatre Commitee for the past two weeks have been giving away one free ticket each to adults and children during each show, but possibly due to some misunderstanding, some of these tickets have not been claimed. # **Blood Donor Clinic** Response Splendid

BEISEKER-The response to the second Red Cross mobile blood clinic held this year in the Beiseker Memorial Hall was splendid, with around 100 donations of blood being given by local citizens.

Local arrangements were in charge of Mrs. A. A. Wald, convener of the blood donor clinic for the local branch and committee. Mrs. K. Killen was receptionist and Mrs. Frank Schmaltz the registrar.

Refreshments were served to the donors by Mrs. A. Velker, Mrs. D. B. Olsen, Mrs. J. Selzler and Mrs. Fred Meidinger. The tubes were looked after by Mrs. Carl Lohrke and Mrs. W. Schissel. Local nurse was Mrs. W. Rempel, R.N., assisted by Mrs. L. Brosteaux and Mrs. Kroschel.

The clinic staff was served dinner in the Memorial Hall.

Mrs. A. A. Wald, president of the local branch, wishes to thank all the donors, and all those who helped to make this clinic a success.

The Level Land Band had their regular "Tuesday" practice on Monday night, as many of the members took part in the Acme program Tuesday night.

# SEVENTH DAY ADVENTIST CHURCHES RALLY HELD IN CALGARY

A group of nearly one hundred persons from the Beiseker vicinity gathered in Calgary, Nov. 25, to attend a rally of six Adventist churches from various towns.

The meetings, which were held in the First Baptist Church, were planned to provide something of interest to each one present, from the young to the older ones.

Assisting Elder Streifling of were Elders Millner, Calgary, Davies, Simmons and Bock, all of Edmonton, and Swartz and Krenzler of Calgary. A composite choir from the various churches rendered several numbers, among them "Praise Ye The Lord," and "What If It Were Today?" There were also solos, duets and quartettes. Much appreciated was the Junior Choir from Canadian Union College at Lacombe, whose selections were sung with feeling and vigor.

The morning devotional provided spiritual food for thought, as Elder Millner enlarged on the text: "As many as are led by the Spirit of God, they are the sons of God." Romans 8:14. If we possess the nine fruits of the Spirit as contrasted to the seventeen works of the flesh as enumerated in the fifth chapter of Romans, others will know that we have the blessed Savior with us.

In the Young People's Hour. the story of redemption was the theme, given in the form of a symposium, as talks with a musical background were given by different young men and young women, with appropriate special music to suit each part. Faith in God is a most precious possession, but many lack it while having everything in worldly goods. A noted physician stated that the patients who are hardest to treat are those who are sick at heart. There is healing for such in the Blessed Word.

Considering the perplexing times we live in, and the threat of war, it was recommended at a recent council of S.A. churchmen that a system of medical cadet; training be introduced in our schools, whereby our youth may become better trained to be of service to our country in time of national calamity and distress.

Pictures on India concluded the evening meeting. And as we parted, all felt that it had been a good day.

# **Level Land** Society Meets

Auction sale of sewing and fancy work, including home cooking, took place. In the neighborhood of \$500 was taken in. The Society wants to thank everyone who helped in making this annual sale such a success, and not forgetting those who paid such wonderful prices for the goods. Every dollar will be used for relief wherever needed.

Mrs. Ginger of the district, died on Sunday, Nov. 26. The obituary will be in the next issue.

Mr. and Mrs. Courtney Gimbel returned from a visit in the Peace River country.

# **Lions Club Holds** Ladies' Night

BEISEKER-On Monday evening, Nov. 20, the Beiseker and Irricana Lions Clubs held a joint social evening on the occasion of the visit of the District Governor, Heber Merrill, District 37C. Lion Merrill hails from Lethbridge, and braved a cold, stormy night to attend the meeting. Visitors included two carloads of Lions and ladies from Carbon, and a whole bus load from Bowness.

A very enjoyable and tasty banquet was served at 6:45, followed by a short program and a most interesting talk on Lions by District Governor Merrill. The company also enjoyed some community singing, then repaired to the ballroom where they enjoyed the music of Cliff Harvey till 1:00 a.m. This is the second joint ladies' night sponsored by these two clubs, and from all accounts there will be many more.

# Mrs. Stan Olsen Feted In Beiseker

BEISEKER - Miss Vera Schmaltz, assisted by Mrs. Elaine Bunyan, Miss Loretta Hagel and Miss Isabel Ternes, entertained in the Beiseker Memorial Hall, Sunday evening, Nov. 26, in honor of Mrs. Stan Olsen, a recent bride,

An enjoyable evening was spent playing court whist, with the honors going to Mrs. Ed Schwartzenberger and Mrs. Ken Wright. Mrs. Darce Olsen played several piano selections whilst the lunch was being served.

# **Kneehill Delegates Attend Convention**

BEISEKER - Mr. Matt Schmaltz attended the Alberta Association of Municipal Districts Convention held in Calgary on the 22nd, 23rd and 24th, as a delegate for the Kneehill Municipality. He reports that the convention was very successful, and brought back a couple of highlights that he thought might be of interest to the people.

First is the proposed County Act, which was thoroughly explained by Hon. C. E. Gerhart, Minister of Municipal Affairs. A resolution was passed asking the government not to bring the County Act into force without first taking a vote of the ratepayers concerned.

Second was a resolution asking legislation to enable the municipality to collect the dues for the Farmers' Union. This was hotly debated, and turned down.

ed un and a few changes inside by volunteer workers of the Level Land district.

Pastor Strifting of Calgary, was in session with the nominating committee of the S.D.A. Church on Monday, Nov. 20, to elect the church officers for the year

There was no church service in the S.D.A. Church on Nov. 25, as members attended an S.D.A. Rally Day which took place in Calgary in the First Baptist Church.

The Level Land School now has their water pump installed, and all are glad there is no more water trucking.

# Radio for Railways?

Some years ago an American statistician ( a fiend who makes figures and percentages out of every human activity) figured that by comparison of death and accident figures a passenger in a Pullman car on a regularly scheduled passenger train was safer than he would be in his own home. A passenger, he said, on a regular flight of any domestic Airlines plane was safer than he'd be in his own automobile.

Last week a special flight missionary plane was lost on a mountain peak—all 21 passengers and crew perished. A special troop train met disaster with 20 dead in the Canadian rockies. A special Thanksgiving eve passenger train in eastern New York wrecked and took nearly 80 to their death.

It seems that special trains running at irregular times are more prone to accident than regular runs. But we think the CNR, Long Island Railroad and others could instal short wave radio on all locomotives. Under present system, once a train runs past a telegraph station there is no way to signal it until it gets to the next whistle stop. And then it may be too late. By short wave radio the dispatcher could easily intercept any train in his division at any point. Each moving train could be kept in touch by conver-sation between engineers with other trains, and avoid disaster due to incomplete or in-correct dispatch information.

# More Men Wanted

Just as the 1950 harvest season draws to a disappointing close, with poor Alberta crops and poorer harvesting weather, a bright spot shines in the winter economy. Due to increased orders for lumber and pulp wood, more and more men are badly needed

for the bush this winter.
The industry needs workers for all phases of the winter operation, and unskilled labour is at the present moment being combed among displaced persons in Europe. Certainly, with an expanding lumbering industry more men should be brought in from abroad if necessary to supply our requirements.

But the industry also needs young, healthy and intelligent Canadians who will make a career of the business. Men who can take charge of work parties, scalers and timbermen are wanted.

Near Petawawa, Ontario, a clump of pine 200 years old is meeting the woodsmen's axe this winter. There are thousands of acres of good standing timber here in Alberta that can be translated into more purchasing power for our province. Young men and older men too, who are not tied down to the farm for the winter months should make application for a winter lumbering job. Good wages are paid and food and lodging is pro-

The late harvest has retarded the seasonal drift to the bush, so able workers should go in as soon as possible.

# Scriptural Meditations

"Our God is a tender, merciful Father. His services should not be looked upon as heart-saddening, distressing exercise. It should be a pleasure to worship the Lord and to take part in his work. God would not have his children, for whom so great salvation has been provided, act as if he were a hard, exacting taskmaster. He is their best friend; and when they worship him, he expects to be with them, to bless and comfort them, filling their hearts with joy and love. The Lord desires his children to take comfort in his service, and to find more pleasure than hardship in his work. He desires that those who come to worship him shall carry away with them precious thoughts of his care and love, that they may be cheered in all the employment of daily life, that they may have grace to deal honestly and faithfully in all

# Only God Can Make You Sober

By T. W. PUE

Brother, if you're an alcoholic, you need conviction in your heart and soul. You've got to quit making promises and make a decision. You've got to quit your crooked thinking that you are the master and frankly and humbly admit you're the mastered.

If this sounds like a preacher talking to you, and you like to hear preachers, okey. But this is no preacher and it's not me that's telling you. It's a brother alcoholic like yourself, who came to realize it was the first drink he took that was driving him to hell, and who is telling you straight from the shoulder you need a Higher Power to save you from your utterly hopeless condition. Who is this fellow? What's his name I can't tell you his name, because he remains Anonymous. But I was talking to him today and he tells me if you honestly want to quit drinking he'll help you. His address is Alcoholics Anonymous, 9823 108 Street, P.O. Box 134,

If you'll quit evading the truth about your condition, and honestly admit you need help, he'll help you. But don't go to him and think you can fool him the way you fooled your wife and mother all these years with your lying promises, because he's, got you sized up already. So don't think you can get help unless you're honestly willing to face the issue and tell the truth.

### Your Need Is Spiritual

If you take Antabuse, you'll be on the wagon for a week, and then as soon as the drug wears off you'll be drunk again.

They've got a new fangled injection that writer Paul de Kruif has mentioned in Readers' Digest. But it won't help you. Your condition is physical, alright, but it's also spiritual. As members of A.A. say you've got to get "right thinking" and call on that

T. W. Pue Higher Power, which to you may be Jehovah, God, or Jesus Christ or whatever your conception of the Almighty is.

Without such spiritual reformation you'll be like the Edmonton alcoholic who, having taken the dry cure at Ponoka, got off the CPR train at South Edmonton Station instead of on the North side where his friends were waiting for him. He headed right for the Government Liquor Store and stumbled home hours later-four sheets to the wind.

# Your Need Is Today

It isn't any use for you to swear off drinking forever. You know you've done it before, and you know you've never kept your oath or your promise. If you swear off again your lying, and you know it.

You know you can't drink like a normal person, so when you've admitted that much you've then got to refuse the first drink. It's not the tenth, twelfth or twentieth drink that does you harm. It's the first one. So, when you have this convicition, make a decision with God and yourself that today you won't drink. And each day humbly make that decision day after day. You'll find

-that He hath promised, Power from above, Undying sympathy, unchanging love.

# Your Need Is Shared

Members of Alcoholics Anonymous are some of the finest men I've met. They know that as practising alcoholics they were dragged from gutter to prison cell and back to gutter again. Most hospitals don't like alcoholics, although some have wards for them. Anyway, hospitals only help patients out of the acute stages.

They know alcoholism is the fourth most dangerous fatal disease on this continent, but that doctors prefer to list secondary causes of death on certificates to save the feelings of loved ones.

They believe we need a more moderate approach to the drinking problem. They have ideas about improving our laws. But above everything else they know that they themselves can't drink-that they never can drink again.

They know that by helping others, they are working out their own salvation. one of those one-out-of-ten whose drinking is wreck. ing your life, and you are honest with yourself, call on the friendly A.A. members.

But if you aren't convinced you're an alcoholic, better wait. Wait until your wife leaves or divorces you. Wait until you lose your job. Wait until your children disown you. Wait until your creditors make life intolerable for you. But, please don't wait until your doctor fills out your death certificate.

A corpse doesn't drink, anyway.

# Red vs Religion

In the view of the totalitarian governments, the bodies of their subjects belong to the state, for gun fodder or any other purpose. This is the one great reason why Communism cannot triumph. # REDWATER SHIP TO CARRY OIL

The Imperial Redwater. named after Canada's largest oil field, slid down the ways in a perfect launching at Port Arthur last week.

Mrs. C. D. Howe, wife of Canada's minister of trade and commerce, christened the big ship with traditional champagne.

The hull took eight months to build but was launched in only seven seconds.

The new tanker and her sister ship, the Imperial Leduc, are the largest freshwater tankers in the world and the largest ever built in Canadian shipyards. They will go into service next spring, moving oil from Superior, Wis., to Ontario refineries.

Superior is the terminus of the 1,127-mile Interprovincial pipe line from Redwater. Each tanker is expected to move about five million barrels of oil in a season.

The Redwater is 620 feet in length, 68 feet wide and 35 feet in depth. Speed is 13 knots or 15 miles per hour, with turbines of 4,500 horse-power. Each ship will make a round trip betwn Sarnia and Suprior in five days.

The ships will carry a crew of 36.

The Imperial Redwater was built by the Port Arthur Shipbuilding Co. Ltd., for Pipe Line Tankers Ltd., at a cost of about \$4 million. Imperial Oil will charter the ship for a 15-year period.

# **Religion Causes Friction** In Life of Alberta Family

DEAR LOUISA:-I do not go to any church but I try to live a good life.

I give to charities and do my part in all good causes. My husband's people are all very ardent church workers and this is causing friction between us because I will not attend my church. Don't you think I should be allowed to do as I choose regardless of what they think?

M. G. L.

Answers

You have a perfect right to do as you please, but I can't understand your attitude in this matter. It seems to me that if it will make for happier relations between yourself and your husband's family that it would be much smarter to go than to stay away. It is not necessary to accept the creed of a church in order to go and it is certainly not going to do you any harm.

After all, you must believe in some supreme being for I don't think that any of us can accept the fact of the creation without thinking it the part of a plan. Some people think it is very sophisticated to say that they believe in nothing but they are usually people who are trying to attract attention to themselves by appearing different.

Spending an hour at church each Sunday seems to me a small price to pay for harmonious family life.

You hear people say they stay away from church because there are so many hoocrites in it and there are lots of sinners there. But if you will check up you will find more good people on the inside than on the outsidee. You will find, too, that the church

stands for the higher things of life and that your community would be a much worse one than it is if it were not for the church's influence for good.

So why not give it a try and even if you do not accept all of a certain church's creed, it will not hurt you to attend it occasionally.

Address your letter to "Louisa," 10815 Whyte Ave.

Half of this year's forest fires in Alberta (up to midsummer) has been traced to carlessness of winter time hunters whose fires continued to smoulder under the snow and burst into flame months later, when the timber had dried. On the other hand, setlers' operations which were the chief causes of last year's fires are comparatively blameless, according to the Dept. of Lands and Forests.

Co-operation by the majority of Alberta's citizens this year resulted in a marked improvement compared with 1949, it is stated. More stringent regulations and

#### Fabulous Climate

A lady from Los Angeles, visiting Tia Juana, bought an alleged genuine Mexican hairless puppy from a vendor for fifty dollars.

In six months the animal had grown into a huge mongrel about the size of a Newfoundland. Once again she visited the Mexican resort and encountered the same dog vendor. In no uncertain terms she told him what she thought about the deal.

The vendor listened to her accusations patiently in pained surprise, and finally he asked: "Senora, we're you leves?"

"In Los Angeles," was the impatient reply.

"Ah, w'at you expect, Senora? In those so wonderful climate, those litle pup she can's help grow beeg likea calf."

# Red Cross Appoints **New Treasurer**

CROSSFIELD-At a recent Red Cross meeting, Brock Campbell was appointed as treasurer, to fill the- vacancy left when Jack Moir was moved to the Bank of Commerce in Calgary. At this meeting the executive made preparations for their big annual meeting, which takes place on Nov. 7 in the new hall.

We noticed a nice picture in the Albertan of the High River Flyers, who escaped the 1949-50 championship in the big six hockey league. Crossfield has every reason to be proud, for in it are two local boys, Donnie and Jimmie Stevens, who are chips off the old block, for their dad was a good hockey player and still is a fine skater.

# MADDEN MURMERS

Jesse Havens and Reg. Sharp are proud possessors of new Chevs.

There was a large crowd in attendance at the Dog Pound chicken supper and dance, which had for its orchestra the Melody Five.

Keep in mind the dance sponsored by the Athletic Club in the Madden Hall on Dec. 8. The proceeds will go to swell the mands for the skating rink

The installation of lights for the skating rink is in progress at the present time.

# **Four Old Timers** Die In Crossfield

CROSSFIELD-While the oldtimers are getting ready for their annual round-up, Nov. 29, they feel very keenly the loss of four old-timers in the course of a couple of weeks. Geo. Kimzey, John McCaskill, Mrs. Christianson and George Becker. This year our committee on necrology has a very long list of names, which reminds us that real pioneer stock is fading fast. What a lot we owe to those great people who have paved a way for us, and as we bow our heads in the two minutes silence, which is always observed at our round-up, they will be with us in the Spirit.

# Mrs. Christiansen, 92, Laid to Rest

Rev. C. W. Anderson officiated at services Monday in Crossfield United Church for Mrs. Andrew Anna) Christianson, who died Tuesday in General Hospital. She was buried in Crossfield Cemetery, under the direction of Mc-Innis and Holloway.

Pallbearers were' William Mc-Crimmon, Art Heywood, C. Casey, H. Anderson, William Laut and Frank Laut.

# CANADIAN SUGAR BEETS

Sugar beets are Canada's greatest calories-per-acre agricultural crop, producing about four times more food energy than corn.
